

# DuPont™ Chlor-A-Foam™ XL

## ALL PREMISE HEAVY DUTY CHLORINATED CLEANER

DuPont™ Chlor-A-Foam™ XL All Premise Heavy Duty Chlorinated Cleaner:

- Chlorinated for excellent whitening and rapid soil/protein removal
- Phosphate free
- For use in poultry hatcheries, food processing facilities, egg processing facilities, poultry, turkey, swine, cattle and other animal confinement facilities as a heavy duty cleaner
- Removes egg soils, chick down, yellow build-up, proteinaceous, fatty and other organic soils from hatches, setters, equipment and many other surfaces
- Removes heavy organic soiling in swine facilities from farrowing to finish
- Can be used through a variety of foam generating equipment as well as in pressure washers
- \* Excellent for stainless steel, concrete, plastic, glass, tile and other surfaces
- Excellent end-use compatibility with DuPont disinfectants
- Formulated with Biodegradable Detergents

### COMPONENTS

Components	CAS No.
Water.....	7732-18-5
Potassium Hydroxide.....	1310-58-3
Sodium Hypochlorite.....	7681-52-9
Detergent Builder.....	—
Foam Booster.....	—
Dispersing Agent.....	—

### FOR INDUSTRIAL AND COMMERCIAL USE ONLY

**KEEP OUT OF REACH OF CHILDREN**  
**DANGER / PELIGRO**

**NET CONTENTS:** 5 Gallons (18.93L)

*The miracles of science™*

### FIRST AID

**IF INHALED:** Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Call a physician.

**IF ON SKIN OR CLOTHING:** Flush skin with water after contact. Wash contaminated clothing before reuse.

**IF IN EYES:** In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.

**IF SWALLOWED:** If swallowed, do not induce vomiting. Immediately give 2 glasses of water. Never give anything by mouth to an unconscious person. Call a physician.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

For 24-hour emergency information on this product, call 1-800-441-3637 (US & Canada) or 1-302-774-1139(all other areas).

### PRECAUTIONARY STATEMENTS

**DANGER.** Concentrate causes eye and skin burns. Harmful if inhaled or swallowed. May cause nose and throat irritation. Do not get in eyes, on skin or clothing. Avoid breathing vapor or spray mist. Wear safety glasses. Where splash potential exists, wear chemical splash goggles. Where there is potential for skin contact have available and wear as appropriate impervious gloves, apron, pants and jacket. Wear NIOSH approved respiratory protection, as appropriate. Do not take internally. Use and store only with adequate ventilation. Wash thoroughly after handling.

**CHEMICAL AND PHYSICAL HAZARDS:** This product is a formulated alkaline detergent solution; contamination with other materials such as acids, amines or ammonia bearing compounds, etc., may cause a dangerous chemical reaction. Keep all chemical and foreign materials away from this solution. Keep away from excessive heat.

### STORAGE AND DISPOSAL

Store in original container, in areas inaccessible to children. Store in a cool place. Keep container tightly closed. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash or recycle.

## DIRECTIONS FOR USE

**FOAM CLEANING:** Use DuPont™ Chlor-A-Foam™ XL at a use solution (2-4 ounces per gallon of water) (16-32 ml/ liter) through a suitable foam generator. Foam the cleaning solution on the surfaces to be cleaned. Allow foam to work for 5-10 minutes and flush soils away with water under pressure. After thorough cleaning and rinsing, let surfaces dry as much as possible and then follow-up with an appropriate DuPont disinfecting solution. Consult a DuPont Technical Representative for recommendations.

**LOW OR HIGH PRESSURE WASHING:** Use DuPont™ Chlor-A-Foam™ XL at a use solution (0.25 – 4.0 ounces per gallon of water) (2-32 ml/ liter) and apply to surfaces to be cleaned as a soft spray. Thoroughly soak surfaces. Allow contact time of 5-10 minutes before thoroughly rinsing all surfaces with clean water at high pressure. After thorough cleaning and rinsing, let surfaces dry as much as possible and then follow-up with an appropriate DuPont disinfecting solution. Consult a DuPont Technical Representative for recommendations.

**FOOD & EGG PROCESSING EQUIPMENT, UTENSILS AND OTHER FOOD CONTACT SURFACES:** Follow foam cleaning instructions. Thoroughly rinse cleaned surfaces with potable water before they are reused. Where recommended or permitted, apply a sanitizer solution to food contact surfaces before reuse.

### NOTE:

- Do not use on soft metals such as aluminum and brass.
- This product is not recommended for manual cleaning operations. If some manual cleaning must be done wear appropriate personal protective equipment.

BEFORE USING, READ THE MATERIAL SAFETY DATA SHEET (MSDS) FOR THIS PRODUCT.
